ALL WE NEED IS YOU

Now that the weather has cooled off a little, our therapists have been able to use the Healing Garden with more consistency. It has become a safe haven for children receiving both forensic interviews and undergoing therapy. Our therapists who specialize in trauma recovery will use a variety of techniques to make their clients feel comfortable. This Healing Garden gives them another outlet to do that in a peaceful and calming atmosphere. – Silverleaf Sexual Trauma and Recovery Services: receiving \$40,000 to provide forensic medical exams and counseling services to children who have suffered sexual abuse.

Earlier this year a Disabled Veteran and her 17-year-old son came to SpringHaven from Breckinridge County with no transportation. After being here only a short period of time, we realized how determined she was to be self-sufficient. She bought a car for just \$800 which we were able to help repair. She then got a job on Fort Knox and applied for a Veterans Voucher through the Kentucky Housing Corporation. Once approved for an apartment, SpringHaven helped this client turn on her utilities, pay her deposit, and secure food. With a new job and transportation, her son was also able to return to Breckinridge County where he will finish out his senior year of high school. – SpringHaven Domestic Violence Program: receiving \$60,000 to provide safety, advocacy, and basic needs services to survivors of domestic violence as they regain their independence.

POWER OF THE PURSE 2018

Thank you to each individual who helped make our first annual Power of The Purse event a notable success. Guests at the event relished in a fun and fabulous evening to support children in our community while also enjoying bourbon, live music, an Italian dinner by Tony York's on Main, and their chance to win designer purses filled with amazing prizes.

With new handbags in tow, seven gentlemen took to the stage in a fashion showcase during the live auction, with each bag containing jewelry, gift certificates, and much more. A special thanks to the those gentlemen who graciously agreed to be our models for the evening - including: Chad Sarver, Chief Jamie Land, Sheriff John Ward, Lamar Jones, Brandon Fogle, Retired MG Bill Barron, and J.J. Duvall.

With over \$10,019 raised at the event, all proceeds will be designated to early childhood education programs in our community – helping give children the tools and resources they need to enter kindergarten ready to learn.
