April 2022

Message from the CEO

Spring is in full bloom, and United Way of Central Kentucky (UWCK) is kicking off a new project designed to #CreateCommunity. The Main Street Garden, sponsored by the [Swope Family of Dealerships](#), is under construction and we hope to have a flourishing, sustainable garden up and running in a few weeks.

Located in the property adjacent to the UWCK office, this project has been a true community effort including inspiration, design and construction from future community leaders at [John Hardin High School](#). Under the direction of Jeremy Hall, FFA members have planned the garden and built phase one of the raised garden beds.

Our hope is to create community in and around the Main Street community, inspire others to create their own gardens, and reap a harvest from what is sown. Join along on social media as we watch our garden grow.

United Way speaks at Elizabethtown/Hardin County Industrial Foundation Meeting

Thanks to the Elizabethtown/Hardin County Industrial Foundation, Inc. for having us speak at their March Facility Managers Meeting. Local industry plays an important role in helping us provide support to those in need across Central Kentucky.

If your business would like to find out ways they can get involved, contact Christa Shouse at cshouse@unitedwayck.org.
