Panther Place hosts March Family Night

Apr 3, 2019

Panther Place first- and second-grade girls stand with dance instructor Grace Key.

Henry Alston, a member of Big Brothers Big Sisters and United Way of Central Kentucky CIT board member, spoke to the parents of Panther Place students about the challenges of parenting in the age of technology.

Students were involved in an array of activities during the parent meeting. Parents then were joined by their students to watch the first- and second-grade girls perform a dance routine.

Everyone enjoyed an eventful evening.
