Sep 5, 2019 Updated 7 hrs ago

Tracy Schiller, the 2019 campaign chairman for the United Way of Central Kentucky, speaks Thursday evening during the campaign kickoff event at The State Theater. Schiller said his wish for 2019 is to leave no request unanswered. "I know the only way to make that happen is for us to continue this work together," he said. "I am asking you to join me this year in our continued efforts to raise that bar even farther and make sure that we meet all the ... needs that are out there."
